

Traidhos Virtual Camp Adventures

The alternative to your usual summer camp experience. Participate in many of the usual camp elements with the ethos of Traidhos Camp, from your own home!

While the need to restrict travel and practice social distancing remains in place, Traidhos staff are excited to provide three two-week programs (0900 – 1200 Monday – Friday (Thai time)) of interactive educational activity that will allow you to meet other participants and safely interact with our knowledgeable staff.

The price includes structured activity delivered by full-time educators, support material and a certificate of completion.

On receiving your registration you will be sent a simple equipment list that will be needed for full participation in this virtual holiday program.

Suitable for students who aspire to be junior wizards and who enjoy being creative; who want to meet new friends with similar interests and who like to have fun together.

Description:

Traidhos Wacky Wizard Week takes place both on screen interacting in real time and with off screen challenges. This allows participants to interact and learn with each other and our facilitating staff.

Traidhos virtual summer camp is a mixture of interactive group games that you can play from your home, and activities that you will complete and share with your professional camp staff. You will get to know some of these Traidhos Camp staff (but maybe you will not recognize them once you enter Wizard School!) : <https://camps.threegeneration.org/about.php>

Each morning of wizard camp, you will attend Wizard School, including “classes” in herbology, potions, care of magical creatures and Muggle studies. You will be assigned to a house and work collaboratively with your house members to earn points as you complete different challenges. During this time you will learn more about working in a team, develop confidence to speak out and use your imagination to make potions, learn about ancient mythical beasts, properties of plants and practical skills every wizard needs to accomplish. So, find your wizard’s cloak and sign up today!

Materials

Participants will receive electronic files with activities that can be completed at home. These support the virtual camp learning and should be completed before or after each on-screen day. These activities allow the fun and learning to continue both online and offline. An equipment list will be sent once registration and payment has been received. Equipment will be the sorts of things found in most homes: basic stationary (paper, cardboard, tape, pens, glue) and some ingredients from your kitchen depending on the virtual adventure that you select. You will receive your Wizard School Report showing your participation at the end of the week.
